## From the Desk of Julie Clayton/Executive Director

Happy Friday!

I would like to personally thank everyone who volunteered, supported, and participated in the first annual Holly Jolly Jamboree this past Saturday. It was an amazing day and it was so great to see Vine Street full of people enjoying the vendors, shops, restaurants and the choir competition. We would appreciate any feedback on the event.

We could not have had this event without all of the awesome sponsors who supported the Holly Jolly Jamboree. Your involvement and support played a vital role and ensuring the event would go smoothly and it allowed us the resources to do so.

So save the date...December 6th, 2025 for the 2nd Holly Jolly Jamboree!

Sincerely,  
Julie Clayton  
Executive Director
